1. **Task Title:** Mobile Apps and Transportation: Exploring Data Metric Potential and User Response to Multi-Modal Traveler Information

2. **Describe last quarter’s tasks/deliverables:**
   During the last quarter we continued with the literature review and the review of smartphone mobility apps.

3. **Describe next quarter’s tasks/deliverables and their due dates:**
   Next quarter the literature review and smartphone app review will be completed. The interview protocol and draft survey will be drafted, and we will submit to IRB for research with human subjects approval. We will begin the expert interviews.

4. **Describe Project Status:**
   - Are you on time with your schedule?
     - X NO
   - Are you on budget?
     - X YES
     - ___ NO
   - Are you on scope?
     - X YES
     - ___ NO

   If the answer to any of the above is NO, please explain below:

5. Estimated percent of work completed: 20%
   Estimated percent of budget expended: 24%

6. What are your expenditure projections for the next four (4) quarters?
