1. **Task Title:** Mobile Apps and Transportation: Exploring Data Metric Potential and User Response to Multi-Modal Traveler Information

2. **Describe last quarter’s tasks/deliverables:**
   We started literature review on smartphone apps.

3. **Describe next quarter’s tasks/deliverables and their due dates:**
   Next quarter tasks include ongoing literature review, approval from UC Committee for the Protection of Human Subjects, and review of mobility apps.

4. **Describe Project Status:**
   - Are you on time with your schedule?
     - YES
     - X NO
   
   - Are you on budget?
     - X YES
     - ___ NO
   
   - Are you on scope?
     - X YES
     - ___ NO

   If the answer to any of the above is NO, please explain below:

5. Estimated percent of work completed: 0%
   Estimated percent of budget expended: 0%

6. What are your expenditure projections for the next four (4) quarters?
